RNA IS NOT AFFILIATED WITH ANY POLITICAL PARTY, ORGANIZATION OR ELECTED OFFICIAL

MAYOR SCHUNDLER will be RNA's next GUEST SPEAKER

At the next RNA meeting on June 8th, **Bret Schundler**, the Mayor of Jersey City, will address among other topics, the following issues of local concern:

a) the revitalization of Palisade Avenue and the proposed redevelopment plan for this street;

b) the chronic crime problem in our neighborhood, specifically, drug dealing and gang activity;

c) the need for better enforcement of existing quality of life, housing, sanitation, parking and zoning laws;

d) the long overdue renovation of the eastern side of Riverview-Fisk Park;

e) municipal assistance for the development of cultural programming in our Park; and

f) the need to address our parking and traffic problem.

SPRING CLEAN-UP: A MAJOR SUCCESS

On Saturday, May 1st, in excess of forty volunteers turned out to participate in the Spring Clean-up of our two neighborhood Parks: Riverview-Fisk and Janet Moore and a "broom sweep" of Palisade Avenue and several side streets. All of our volunteers sported blue commemorative tee-shirts of the event, which were purchased with a grant from the Department of Public Works. Various weeding and planting projects were simultaneously initiated in both parks at about 8:00 a.m. Other volunteers began picking-up litter and another volunteer painted over graffiti at the park pavilion in Riverview-Fisk. As our numbers swelled, shrubs and trees were pruned. In the Community Garden, several volunteers removed debris and helped with the weeding.

As in the past, the Jersey City Incinerator Authority (JCIA) provided us with two roll-off dumpsters, which were located at Griffith and Hobson Streets, that were available for the disposal of household debris. RNA would like to thank **Janet Manzo** of the JCIA for scheduling the delivery and removal of the two dumpsters. Of course, we must also thank **Rodney Hadley** and **Mat Hogan** at the Department of Public Works for supplying us with tools and other work materials for the event. A very special thanks is also extended to DPW Director **Kevin Sluka** for providing us with various shrubbery for both Parks and

(continued on page three)

On **Saturday, June 5th**, RNA will hold its 15th Annual Park Fair and Flea Market between the hours of **9:00 am to 4:00 pm** in **Riverview-Fisk Park**. (The raindate is the following Saturday, June 12th). This year's activities include more vendors, crafters, various food vendors, a bicycle raffle and live music throughout the day.

To make this day a big success, RNA needs you to volunteer your time and to donate items and baked goods to sell at the RNA tables. Volunteers are needed to set-up, break-down and clean-up the event. If you can give any time on June 5th - even one hour - we hope you will sign up.

RNA is working with the Harbor View Health Care Facility to bring some of their residents to the Park to enjoy the day's festivities. Therefore we are looking for individuals interested in accompanying some of our senior citizens for a few hours through the Park.

People interested in volunteering for any of the above activities, should call **Maria Tuzzo** at **659-2245** after 6PM.

This year RNA has commissioned a special T-Shirt for the event which will be given to all volunteers and then sold separately at a reasonable price.

SPRING CLEAN-UP (continued from page one) two trees for Riverview-Fisk.

Several of our members went the extra mile to lend their leadership and knowledge to insure the success of the day: **Bonggo Gochuico** and **Patrick Moore** led our crew at Janet Moore Park; **Dan D'Errico** who memorialized the day by taking photographs of everybody busy at work; **Alison Fontana** who led our volunteers in the Community Garden; **Laura Petersen**, our NID manager, who joined us on her day off; **Pam Shaw** for producing complimentary signs for our dumpsters; **Cliff Steinbring** who saved many of our backs by putting his pick-up truck into use for transporting materials; and lastly **Beth and Dan D'Errico** for opening their home by hosting our afternoon barbecue.

In closing, we want to thank the following people for all their hard work and for making the day a big success: **Isabella Aquilera, Rob Besch, Jerry Brooks, Doris Brown, Vito Brunetti, Stephen Carr, Camille Cesari, Paul Crane, Alex Coroneos, Steven Dyer, Al Festa, Diane Festa, Lisa Festa, Celena Furguson, Carol Hollander, Kris Landherr, Kevin Mahony, Sandy Martins, John McCarthy, Kathryne Narramore, Richard Narramore, Lisa Peterson, Ken Robinson, Jim Russell, Kathryn Sanford, Randy Sanford, Earl Tai, Maria Tuzzo, Marshall Williams, Valarie Woodson and Ivan Zagarik**. Forgive us if we missed anyone!

Remember to mark your calendars for next year's clean-up event! See you in the Parks during the summer.

[A special thanks to **Bonggo Gochuico** for the computer -generated photo collage of the day's events appearing on page 5.]

MEETING MINUTES: May 11, 1999

The meeting officially opened at 7:45 PM with the introduction of the Executive Committee and a brief discussion of the new meeting format. Most members seemed to feel that RNA needed to conduct a few more meetings under the tightened format to make a realistic appraisal.

SPRING CLEAN-UP:

VP **Kevin Mahony** discussed the results of the successful May 1st clean-up, which included numerous plantings in our two neighborhood parks and a sweep-up along Palisade Avenue. A full report of the event is provided in the previous article.

COUNTY EXECUTIVE:

Robert Janiszewski, the County Executive of Hudson County was introduced as our guest speaker. Mr. Janiszewski congratulated RNA on their successful neighborhood clean-up. He then spoke about the upgraded county facilities in both Lincoln and Washington Parks. He also mentioned the recent County renovation in our neighborhood of the Ogden Avenue bridge at the intersection of Ogden Avenue and Bowers Street. He explained that the County is responsible for any "orphan" bridges in its territory and in fact had done work on several within Jersey City.

He proudly declared that Hudson County is "hot" at the moment. Unemployment is at a 20 year low because in the last five years, over 30,000 jobs had been created in the County. Welfare expenses were down by 40% from three years ago - equating to a savings of millions of dollars. Jersey City in particular had a 19% growth in jobs - more than any other part of the state.

He responded to a complaint about the commuter or jitney vans that clog Palisade Avenue with frustration. He explained that at present neither the City nor the County are able to regulate these vans since they are federally licensed because of their interstate status. However, he stated that there would be a public hearing on these vans during June at the Freeholder's chambers at 567 Pavonia Avenue. His aim is to lobby for state legislation to place these vans under local control for better regulation.

It was pointed out that several of these vans although labeled with an interstate license numbers, in reality only traveled within the County along Bergenline Avenue or to Newport Mall. Several members in response stated that they use these vans because they run more frequently than the New Jersey Transit or private buses. One member suggested that these buslines should offer commuter discount fares to compete with the vans.

Another problem mentioned was the roads leading into our community - including the County's Paterson Plank Road - are chronically covered with litter and in disrepair. RNA was concerned that people looking at our community to live in or open a business would be turned off by these conditions. A request was also made to the County Executive to coordinate cooperation between the County and Jersey City in the proposed renovation of Holland Street. Specifically, RNA requested the installation of a pedestrian crossing with traffic controls across the Plank Road and the clean-up and removal of shrubbery along the sloped shoulders of the Road to help expedite the City's renovation.

The next topic discussed the was proposed light rail project to be built along the western side of Hoboken below our neighborhood and the plans for stations that would be accessible to our community. He introduced **Suzanne Mack**, the Executive Director of the County's Transportation Management Association who handed out information about the proposed Ninth Street and Second Street Stations in Hoboken. The Ninth Street Station would be made directly accessible to the residents and riders from Jersey City Heights through a glass enclosed bridge and elevator connecting the top of the Palisades at Congress Street to the station. Although there are no current plans to make the Second Street Station accessible to our community, Ms. Mack promised to include RNA in all future outreach discussions.

Ms. Mack estimated that the first phase of this mass transit project, between Bayonne to Harborside in Jersey City, would be in operation by March, 2000. The

second phase would proceed from Harborside to the Hoboken terminal within the next 6 months and then northward to North Bergen. She stated that the Ninth Street station was planned for September, 2001.

Members asked how many trains will be in service and how often will they run? Each train will consist of a 2 car unit that will run on the 24.5 mile transit system. Another important question was how will local traffic at the bottom of the Plank Road at Hope Street be affected at the train crossings? There will be a traffic signal to control local traffic at this intersection because there are no plans for a "flyover" or overpass at this location. Ms. Mack estimated that it would take approximately 90 seconds for a train to make the crossing, as opposed to the interminable delay at present when Conrail stops traffic.

Janiszewski pointed out that the County was involved in an $8 million "flyover" project at the intersection of Secaucus and Paterson Plank Roads to allow the Conrail freight trains currently running below our community to be rerouted to the tracks alongside Tonnelle Avenue. Ms. Mack promised that she will keep RNA informed about meetings and any future developments concerning the two local light rail stations.

Janiszewski stated that he is always available to help us in anyway he can - we only need to call him. This prompted a request that the County help our community with our chronic crime problems of drugs and gangs. It appears that there is an escalation of infighting between local thugs and Hoboken gangs who are beginning to hang out on Palisade Avenue. It was requested that Mr. Janiszewski utilize the county prosecutor or the sheriff's department to coordinate the efforts of both Jersey City and Hoboken police to cooperate in addressing this problem. He promised to return to our September meeting to update us on the issues that had been discussed.

FLEA MARKET AND PARK FAIR: **Maria Tuzzo** updated the meeting about this current plans for our annual event.She asked for volunteers and donations of items and baked goods for the RNA tables. The cleaning and updating of our large banner advertising the event was discussed. **Alison Fontana, Hank Cesari and Marshall Williams** volunteered to fix and hang it in the Park within the next week.

Next **Pam Shaw** reported on the proposal to commission tee-shirts for the event which would be given to the volunteers and also sold for a modest profit to the customers. Her design for a two-sided shirt was well received by the members who then decided to use blue shirts - the same color as the clean-up shirts. The membership voted to send $330.00 to purchase 60 shirts at $5.50 each.

COUNCILMAN ARNOLD BETTINGER: Our Ward C councilperson briefly spoke to the group and took complaints about some problems in his part of our community.

COMMUNITY POLICING: The police were conspicuous in their absence - it being the first time in several years that a NTF officer did not attend our meeting to update the members on the crime situation in our community and take complaints.

The 50/50 was won by **Thomas Neiman** who generously donated his winnings back to RNA. The meeting ended at 9:45 PM.

Maria Tuzzo, Secretary

SHAKESPEARE in the PARK

The Hudson Shakespeare Company has agreed to perform four of their current repertory in Riverview-Fisk Park this summer. The performances will include:

1) **The Beggar's Opera**: Saturday, July 10, 2PM,
2) **Couples of Shakespeare**, Sat. July 24, 2 PM,
3) **Taming of the Shrew**, Sat. August 21, 2PM.

The first performance, sponsored by the Dept. of Cultural Affairs, will be **Julius Caesar** scheduled for Thursday, June 17 at 7PM.

EXCITING GAZEBO SERIES IN RIVERVIEW-FISK PARK

This summer Jersey City will provide an unusual array of entertainment in our Park. In addition to the previously mentioned plays, there will be two music filled evenings to hopefully satisfy everyone's taste.

On **Wednesday, July 21st**, LIQUID BLUE, a Latin Funk band will liven up our side of the Hudson.

On **Wednesday, August 18th**, BILL TURNER & BLUE SMOKE will rock around the clock in our Park!

Both concerts will start around 6:00 PM. See the enclosed flyer for the rest of these concerts performing in the other neighborhood parks throughout Jersey City.

JERSEY CITY MUSICAL SUMMER

The Jersey City Department of Recreation and Cultural Affairs seems to have outdid it self this year by coordinating an amazing series of musical and cultural entertainment. In addition to the Gazebo Series, The City will present:

1) the **25th ANNUAL JERSEY CITY CULTURAL ARTS FESTIVAL** that will take place on **Sunday, June 13th** at Liberty State Park;

2) **SUMMER FEST 99**, a series of music concerts in July and August at Liberty State Park; and

3) Fleet's **JAZZ FOR LUNCH**, a series of music concerts performed at the Grundy Pier Park at Exchange Place.

[For more information, refer to the concert flyers included in this newsletter.]

MOTHERHOOD

A bride of several months was sawing away at the end of a ham. "Why, asked a neighbor, "are you sawing off the end of that ham?" "Because my mother always did it," the bride replied. A few days later the neighbor met the bride's mother. "Your daughter tells me you always saw off the end of a ham before you bake it, and I wonder why." "Frankly, the mother replied, " I do it because my mother did it. Why not ask her?" The neighbor phoned the grandmother who lived in the same town. The grandmother let her in on her secret. "I never owned a baking pan large enough to hold a ham. Why do you ask?" The influence of mother over child is reflected in the ancient proverb, "As is the mother, so is her daughter." (Ezekiel, 16:44). What power a mother possesses; what influences she bears!
